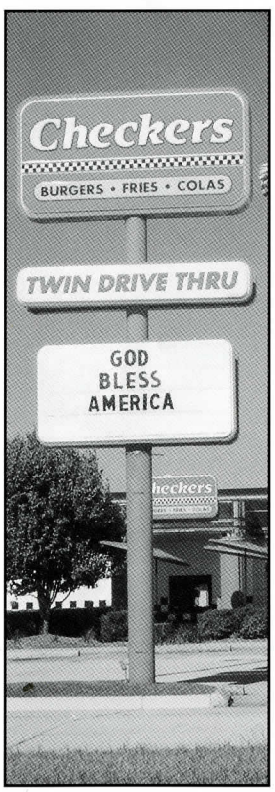
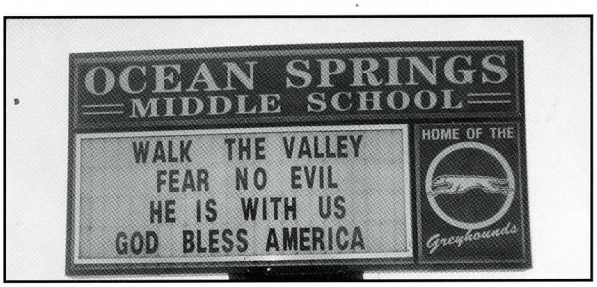
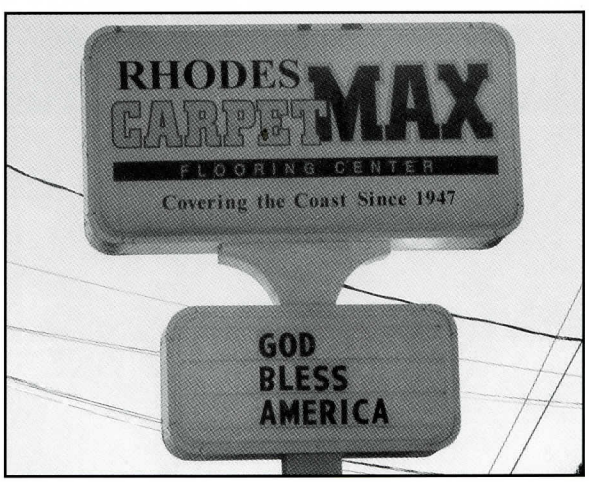
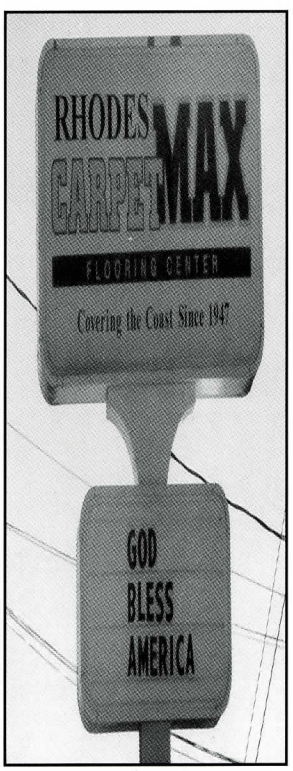
Fellow citizens, we'll meet violence with patient justice, assured of the rightness of our cause and confident of the victories to come. I will not forget the wound to our country and those who inflicted it. I will not yield, I will not rest, I will not relent in waging this struggle for freedom and security for the American people. The course of this conflict is not known, yet its outcome is certain. Freedom and fear, justice and cruelty, have always been at war, and we know that God is not neutral between them. In all that lies before us, may God grant us wisdom and may he watch over the United States of America. *President George W. Bush*

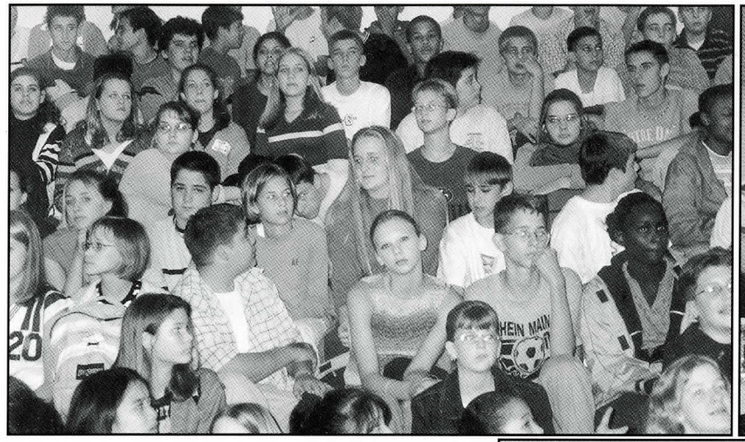


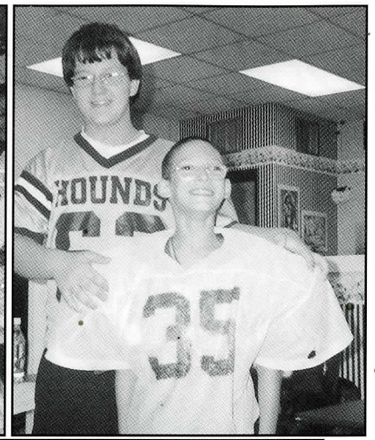


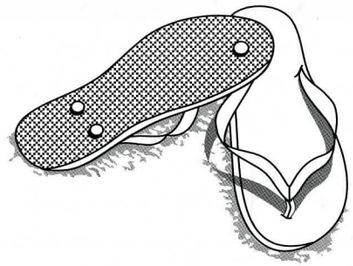




Dedicated to the Courage & Strength of America







I say to the young; Do not stop thinking of life as an adventure. You have no security unless you can live bravely, excitingly, imaginatively. Eleanor Roosevelt

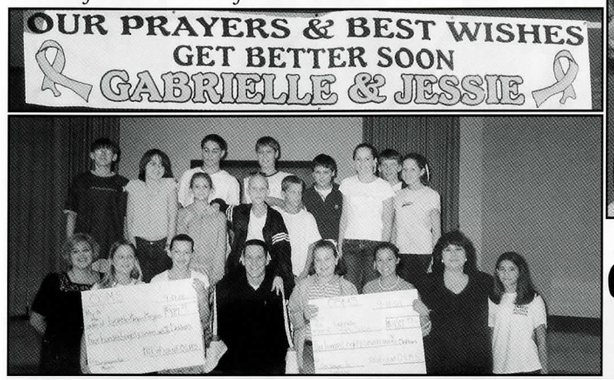
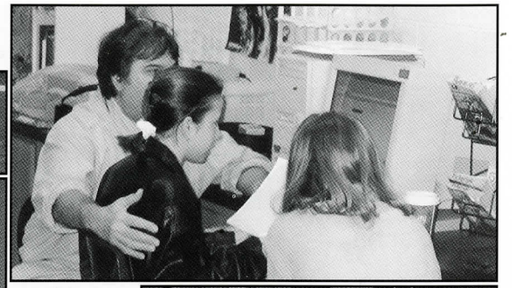
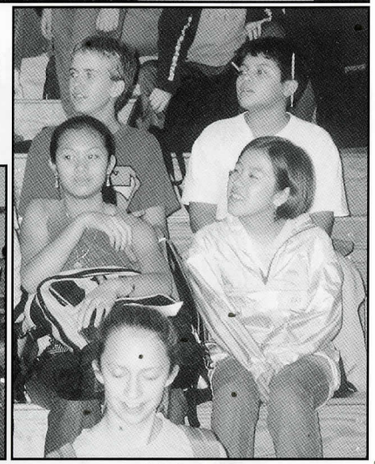
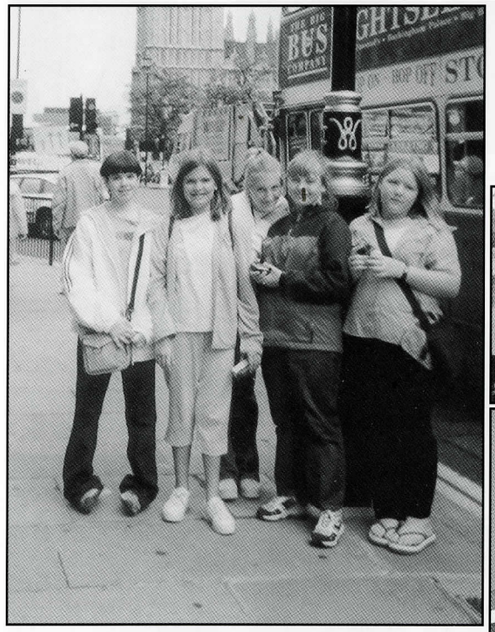
Our school united with our community in support of it's own with fundraisers and car washes.







Our nation, this generation, will lift the dark threat of violence from our people and our future. We will rally the world to this cause by our efforts, by our courage. We will not tire, we will not falter and we will not fail.
President George W. Bush



Over the summer, 36 of our 6th graders took a 10 day tour of London, Paris and the French countryside. A wonderful and educational time was had by all!

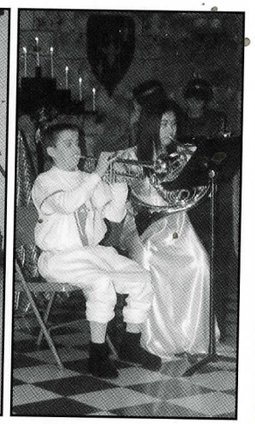
Ocean Springs

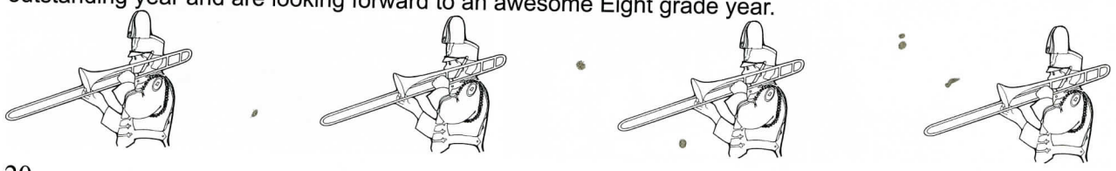
6th GRADE

The Sixth grade band began the year knowing very little about their instruments. However, in a short five months the band gave their first concert in January and they were great! Concert selections included "Ode to Joy" and "Old MacDonald's Band." In February, the band traveled to Taconi to play for the fifth grade. The Sixth grade band's final concert was at the end of April and what great progress they made throughout the year. This band is one of the strongest beginning bands ever at Ocean Springs Middle School.

7th GRADE



The Seventh grade had an outstanding year. For the first time, the Advanced Seventh grade band represented OSMS at the Jackson County Veterans Day Celebration in November. The OSMS band and the OSHS choir performed separately and together. Gene Taylor, our congressman, was the keynote speaker. In December, the Seventh and Eighth grade bands presented their Christmas Concert complete with Santa's hats and a visit from Santa Claus. Many students auditioned for the Gulf Coast Band Director's Honor Band; three Seventh grade students made the band: Hilary Jones, 1st chair flute, Desiree Myers, clarinet, and Nathan Britt, snare drum. The students also competed in Solo and Ensemble in February and in Contest in March but at press time the results were not available. The Seventh grade band had an outstanding year and are looking forward to an awesome Eight grade year.



Middle School Band

8th GRADE

The eighth grade band was outstanding throughout the school year. The band began the school year attending a three day band camp in preparation for the year. The band performed at five home football games and one away football game. Also during the fall semester, the band performed at "Meet the Team" "Celebrate America", and the Fireman's Day Parade. In the spring, band members Stephanie Harvell, Genevieve Mullen, Heather Willbanks, Amanda Milner, Catherine Contigulia, Paula LaSalle, Ryan Peresich, Erik Blum, Aaron LaFrance, Scott Robertson, Ling Wang, Scott Payne, Elizabeth MacMahon, Paul Vickery, and Michael Chamberlain participated in the Gulf Coast Honor Band. Later in the spring, the band played at the South Mississippi Festival and the Southern Star Music Festival in Atlanta, GA.

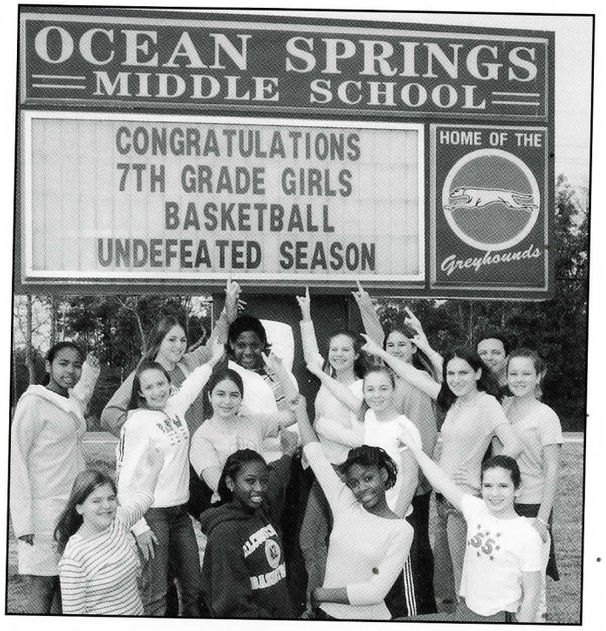
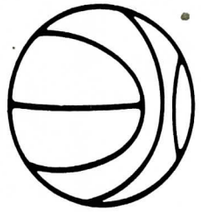
7th Grade Girls Basketball





UNDEFEATED

The 2001 - 2002 7th grade girls basketball team accomplished a rare feat by completing a perfect season, remaining undefeated for their entire schedule. They are an outstanding group of individuals and students as well as being tremendous basketball players. Their desire to consistently perform at a high level, week in and week out for the duration of basketball season, coupled with sheer determination and talent is what ultimately led to achieving this first for Ocean Springs Middle School Athletics. This is the only 7th grade team to go undefeated in the history of Ocean Springs Middle School. Congratulations, ladies!

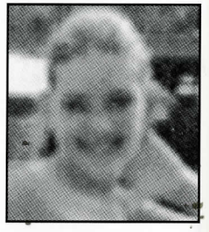
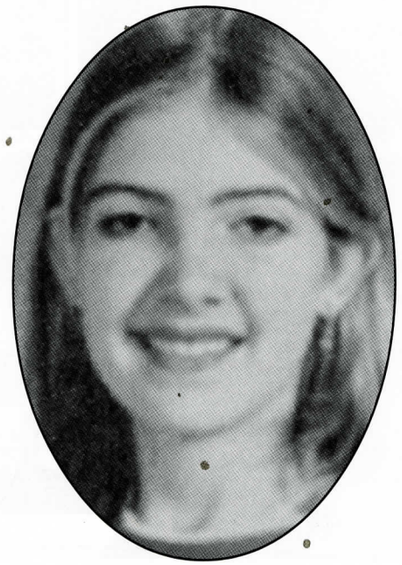
Valentine Barthelemy

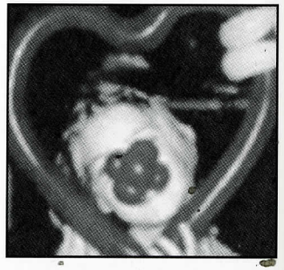
1987 - 2002

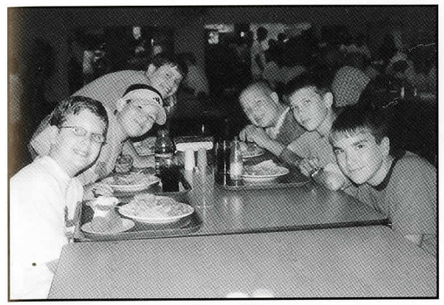


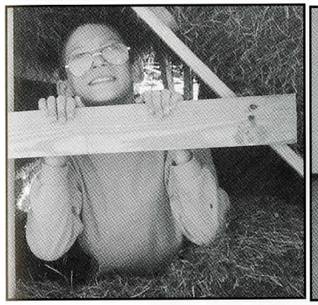
Valentine
Active, caring, curious, girl
Sister of Marguerite and Sterling
Lover of laughter, swimming, talking, and school
Who feels joy when traveling
Who needs sunshine everyday
Who gives support, happy faces, and kindness
Who fears being alone, darkness, and pain
Who would like to see Jesus
Resident of Ocean Springs
Barthelemy

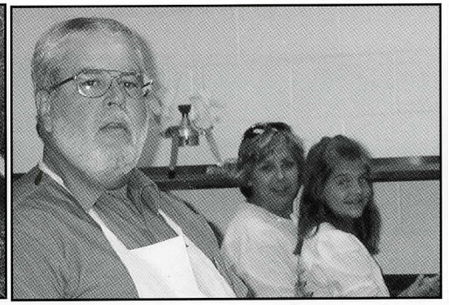
This poem was written by Valentine in her 8th grade English class.

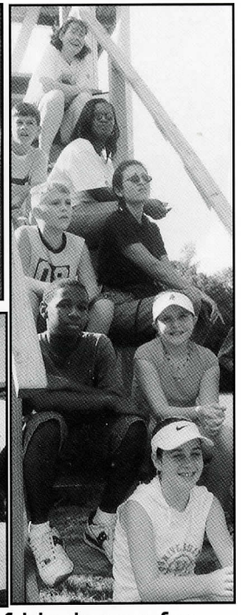












The Skills for Adolescence class performed many acts of kindness for those in and around our community. They visited the elderly, entertained children from surrounding schools, cleaned our local beaches, helped out at the local animal shelter, and served lunch to those less fortunate.
